

Wellington Waterloo District Chapter

ONTARIO BUILDING OFFICIALS ASSOCIATION INC
Pro bono publico "for the public good"

Presents:

In collaboration with the
Institution of Fire Engineers, Canada Branch
 a One Day Seminar on
Reviewing and Inspecting Hazardous Areas

This one day seminar will provide a focus on Subsection 3.3.6. of the Ontario Building Code and how it relates to the Ontario Fire Code. The program will concentrate on multiple subject matters and provide detailed information that will help local Authorities Having Jurisdiction (Building Officials, Fire Officials, Etc.) better understand Hazardous Areas. A half day presentation on Reviewing and Inspecting Hazardous Areas will be followed by a presentation of case studies.

Date: Friday November 20th, 2015 9:00 am – 4:00 pm

Location: **Clair Road Emergency Services Centre**
160 Clair Rd. W. Guelph, Ontario

Facilitator: Andrew Wong, MBA, CFIFireE
The Institution of Fire Engineers, Canada Branch

Cost: \$200.00/participant.
Includes seminar handouts (courtesy of IFE Canada Branch).
Morning and afternoon coffee breaks and lunch included.
