

## COVID-19 CANADIAN FIRE SERVICES ROUND TABLE

### VIRTUAL SEMINAR AND AGM

*In an effort to gauge how Canadian Fire Services are managing during these extraordinary times, we have invited industry leaders from across Canada to share their experience on how COVID-19 is impacting fire prevention, operations, firefighter safety at work and impacts to public safety in their communities.*

*Each speaker at the roundtable will provide a 5 to 7 minute update.*

### THE INSTITUTION OF FIRE ENGINEERS - CANADA BRANCH

Promoting the safest possible Canada through progressive and professional collaboration between Fire Engineering practitioners. Founded in 1918, the IFE is a non-profit making professional body with a rapidly growing membership of over 10,000 and a global reach that extends through 42 international branches. Licensed by the Engineering Council, the IFE upholds professional standards within all public and private fire sectors by offering assessment of knowledge, experience and development and engages with major stakeholders to offer international conferences, identify and promote good practice and enhance technical networks worldwide.
