

PERSONS WITH DISABILITIES DURING EVACUATION: FROM FIRE SAFETY PLANNING TO PHYSICAL RESCUE CHALLENGES

PROFESSIONAL DEVELOPMENT EVENT

A unique training opportunity for Fire Prevention Officers, Fire Service Training Officers, Operational Firefighters, Emergency Planning and Fire Safety Professionals.

GUEST SPEAKER: MARNIE PETERS

Expert in Accessibility and Fire & Life Safety for People with Disabilities

This two (2) hour training session includes disability awareness, rescue/carry considerations for persons with disabilities, and items to consider for developing building and workplace fire safety plans in order to strengthen awareness in the building management and disability community.

Plans for residential or commercial buildings in Ontario often include only a single paragraph addressing Persons Requiring Assistance during an evacuation. This special presentation will provide information necessary to change that.

WEDNESDAY, APRIL 24, 2019

9:00AM – 11:30AM

LOCATION: Fire and Emergency Services Training Institute (FESTI)

2025 Courtneypark Dr E, Mississauga, ON L5T 1J3

2.0 Continuing Professional Development credit hours awarded by IFE Canada towards maintaining your Professional Designations.

IFE Canada Members: \$35.00

THE INSTITUTION OF FIRE ENGINEERS - CANADA BRANCH

Promoting the safest possible Canada through progressive and professional collaboration between Fire Engineering practitioners.

Founded in 1918, the IFE is a non-profit making professional body with a rapidly growing membership of over 10,000 and a global reach that extends through 42 international branches. Licensed by the Engineering Council, the IFE upholds professional standards within all public and private fire sectors by offering assessment of knowledge, experience and development and engages with major stakeholders to offer international conferences, identify and promote good practice and enhance technical networks worldwide.

Over the years we have expanded our membership base and we now have members in every province of Canada. Our objective; To encourage and improve the science and practice of Fire Extinction, Fire Prevention, Fire Emergency Management, Fire Engineering and all operations and expedients connected therewith, and to give an impulse to ideas likely to be useful in connection with or in relation to such science and practice to the members of the Institution and to the community at large.

IFE MEMBERSHIP OFFERS YOU:

- ✓ Status (complete with post-nominal) as a competent and professional fire engineer with global recognition.
- ✓ Free subscription to the International Fire Professional journal.
- ✓ Regular informative e-newsletter.
- ✓ Discounted conferences and training events.
- ✓ 10% off IFE publications – see www.ife.org.uk/shop.
- ✓ An opportunity for career progression through a range of examinations recognized by OFQUAL.
- ✓ Support for education, training and Continuing Professional Development (CPD).
- ✓ A voice in national and international debate on issues affecting the world of fire engineering.
- ✓ Involvement in the development of the profession.
- ✓ An opportunity to network with fellow professionals throughout the UK and Canada, including meetings and social functions.

- ✓ Involvement in Special Interest Groups for the discussion of issues in fire engineering.
- ✓ Impartial, friendly advice on how to become an Engineering Technician (EngTech), Incorporated Engineer (IEng) or Chartered Engineer (Ceng).
