

The Institution of Fire Engineers

Canada Branch

Cordially invites you to attend an IFE Sponsored Seminar;

WHAT EVERY FIRE ENGINEERING PRACTITIONER SHOULD KNOW ABOUT FIRE SAFETY PLANS PREPARATION & REVIEW

*Continuing Professional Development Program
(2 CPD Hours)*

Presented by:

Andrew W. Wong, MBA, CFIFireE, CFEI, CFI
Executive Officer (Retired), Vaughan Fire & Rescue Services
President, Insight Fire-Life Consultant Inc.
National Chair, Continuing Professional Development, IFE Canada Branch

The Institution of Fire Engineers – Canada Branch, is proud to be hosting this professional development session, focusing on Fire Safety Plan

TOPICS INCLUDE

- So, you think everybody understands the Ontario Fire Code?
- General versus specific requirements of Fire Safety Plans.
- Legal requirements versus best practices.
- Things they didn't teach you at Harvard!
- Discussion on Site-Specific Fire Safety Plans.

This will be Part 1 of a series of presentations and discussion on the preparation & review of Fire Safety Plans under the Ontario Fire Code. Prior knowledge of the Fire Code required.
